SAMPLE QUESTIONS: C_SM100_7203

SAP Certified Technology Associate - SAP Solution Manager Mandatory and Managed System Configuration (7.2 SPS3)

Disclaimer: These sample questions are for self-evaluation purposes only and do not appear on the actual certification exams. Answering the sample questions correctly is no guarantee that you will pass the certification exam. The certification exam covers a much broader spectrum of topics, so do make sure you have familiarized yourself with all topics listed in the exam competency areas before taking the certification exam.
